Genie Forklift

Genie is a universally established company that enjoys the spirit of partnership with their vast network of allied customers. Genie Industries prides itself on the idea of bringing materials and people higher and extending beyond the goods they design. Genie Industries strives to help clientele build their operations no matter how large or small the scale of undertaking may be.

The introduction of the Genie Hoist in 1996, a pneumatic, versatile material lift initiated the start of Genie Industries. A series of aerial work platforms and other materials lift trucks followed to meet consumer demand. These modern goods secured international acknowledgment and established contemporary product design.

Now, Genie Industries is a subsidiary of the Terex Corporation. Among their top priorities are to manufacture and maintain foremost quality construction and uncompromising level of support and service. With customers from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured material lift trucks on the jobsite, the business is firmly planted in their exceptional customer principles and service. Acknowledging that their clients are their greatest inspiration, the team at Genie Industries are individually committed to delivering expertise and maintaining customer rapport.

The conscientious team is continually dedicated to ascertain the most green and cost-effective, environmentally responsible methods to develop the goods the clients would like. The companyâ??s â??lean productionâ?• practices help diminish waste while offering the highest quality merchandise possible in the shortest timeframe at the least expensive cost to the consumer. The staff at Genie Industries is proud to serve the industry and this is mirrored in every invention they produce. Always welcoming consumer contribution allows them to manufacture and develop modern new products that are straightforward to service and use, deliver optimum value-for-cost and satisfy global standards. Thriving on client opinion enables Genie Industries to repetitively evolve and meet the consumersâ?? needs.

Genie's service experts are eagerly accessible to provide solutions to the queries you may have in order to keep you fully operational. Their expansive components network will swiftly ship components to ensure their customersâ?? machines are running effectively. Each product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on customer success. They assemble and service their goods to boost efficiency and uptime on the job. Delivering on-going education opportunities, to marketing support to adaptable financing possibilities, Genie Industries offers their customers the resources to get the most out of their investment.
