Nissan Forklift

Nissan prides itself on achieving total client fulfillment when their customer is enjoying one of their countless trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to delivering high value and meticulous quality standards to their customers. Incorporating a prosperous heritage combined with solid manufacturing principals, Nissan lift trucks supply many of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to sustain their worldwide forklift demands. Dedicated to offering consumer support, the business has four distinct manufacturing facilities that allow them to continually adapt to their consumers continually evolving needs by offering an assortment of progressive ideas and designs.

The Nissan Forklift North and South American base is stationed in Marengo, Illinois. A loyal team of 350 personnel is committed to the cooperation, design and manufacture of their products. Working under the ISO-9001 and ISO-14001 certifications, allows each sector of the Nissan Forklift Corporation to maintain environmental accountability by using techniques that diminish the worldwide influence of their goods and processes. These high standards remind consumers that Nissan operates under the quality seal that their consumers demand whilst being an environmentally aware organization.

Nissan is fairly certain that any of their customer's inquiries and customer concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their locally authorized sellers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
